## Assessor/Coach Award: Level 4

The Assessor/Coach role has grown in importance as more competence-based qualifications and formal work-based training and education opportunities become available. The assessor coach apprentice will be skilled in teaching and coaching, utilising a learner's specialist knowledge to further push their knowledge, set goals, and ensure they are on target to achieve their qualification. The Assessor Coach apprentice will be expected to provide feedback to the learner, to develop their industry-related and life skills, and engaging them in the planning on their individualised learning program.

As part of this course, not only will the apprentice develop the knowledge and skills required in this role, they will achieve a level one Safeguarding Qualification, and will have at a minimum level two English, Maths, and ICT qualifications.
