

Barbering: Level 2

Overview

On completion of this qualification the stylist will be able carry out shampoo, condition and scalp treatments; cut hair using barbering techniques to create a variety of looks, style and finish men's hair and cut and shave facial hair into shape. They will be able to work with all hair types ranging from straight hair to very curly. They will also be taught how to carry out consultations with clients, as well as how to demonstrate the professionalism, values, behaviours communication skills and safe working practices associated with the role. Finally they will be able to work without supervision to a high level of precision, and show exceptional client care skills.
