

# COSS OLP/CRP/PC Recertification: 4.5 Day Sentinel Certification

## COSS OLP/CRP with PC Recertification: 4.5 Day Sentinel Certification

The Control of Site Safety Overhead Line Permit/Conductor Rail Permit with Protection Controller Recertification Four and a Half Day Sentinel Certification is one of the options for an individual looking to re-certify their COSS certificate. This course aims to refresh the individual's knowledge on setting up a safe system of work on Network Rail's infrastructure, and the responsibilities of a Controller of Site Safety. Individuals on this course will be at least 18 years old that are required to protect a group working near or on the line.

### Course Content

The course covers the PTS and DCCR re-certification over one day, the COSS re-certification over two days, the OLP re-certification over half a day, the CRP re-certification over half a day, and the PC re-certification over half a day. The total four and a half day course will allow the individual to demonstrate their ability to correctly interpret the Rule book and relevant Railway Group Standards whilst acting as a COSS. They will also be given the opportunity to show their understanding and ability to set up a safe system of work before any group of staff can go near or on the line.

### Re-certification

This course is one of the options for an individual needing re-certification of their COSS certificate. Please contact us directly to ensure this is the best course for the individual based on their experience.

### Sentinel Scheme

The Sentinel system is a scheme from Network Rail that ensures all individuals that work in the railway industry are competent in their job role, and are medically fit to do so. Only approved training providers can deliver this training, with learners being subject to specific criteria they need to fit before being eligible to take part. This will be provided when making a booking, and we will encourage you to thoroughly check the learner meets this criteria before proceeding with the booking.
