

Hairdressing: Level 3

Overview

On completion of this qualification, the stylist will be able to creatively cut hair using a combination of techniques to style and finish hair to create a variety of looks. This will involve working creatively with colour, lightening and carrying out colour correction services for ladies hair. They will be able to work with all hair types ranging from straight hair to very curly. They will also be taught how to carry out consultations with clients, as well as how to demonstrate the professionalism, values, behaviours communication skills and safe working practices associated with the role. Finally they will be able to work without supervision to a high level of precision, and show exceptional client care skills.
