

# Fire Marshal Training: Half Day

## Fire Marshal/Fire Awareness Training: Half Day Course:

Participants will learn basic fire safety principles, to ensure they are keeping themselves and others safe in the workplace at all times. They will also learn what to do in the event of an emergency, and the simple measures that can be taken to control the risk of fires. This course includes how to use fire extinguishers.

### Who Should Attend?

The course is ideal for anyone who has a specific responsibility for fire safety in the workplace. This would be ideal for designated fire wardens and fire marshals.

### Pricing:

The cost of this course per participant is £60. A discount can be applied if two half day courses are attended on the same day, and a lunch will be included in this offer.

Please note that no refunds will be issued if the participant cancels in the seven working days leading up to the start of the course.
